BLACKBEAR, ZELLA DAY AND R.LUM.R TO PERFORM AT VOLAPALOOZA 2018
Campus Events Board announces the 2018 lineup for UTK’s annual music festival

KNOXVILLE, Tenn. (March 2) -- Volapalooza is excited to announce that blackbear will headline UTK’s annual music festival this year, along with performances by Zella Day and R.LUM.R. In addition, Peak Physique, Hardcastle and Oddnote will play sets on the local stage. Volapalooza will be held on April 27 at World’s Fair Park from 6 p.m. to 11 p.m.

Volapalooza is the University’s largest student-organized event, and World’s Fair Park will be the place to be on April 27. Along with music performances by national and local acts, the festival will include local vendors and food trucks. The event will also feature novelty activities such as henna tattoos, hair braiding, bead jewelry making and more!

Entering its 16th year as a Tennessee tradition, Volapalooza brings thousands of students, families, and music fans in attendance each year from across the Knoxville and East Tennessee communities. This year we are projecting an attendance of between 4,000 and 6,000 people. Volapalooza 2018 is accepting student VOLAnteer applications until April 6 and media pass applications until April 13.
